COFFEE BIKE CATERING OPTIONS

1) Mobile Espresso Bar: available in Red and Black colours

- Base rate: **225\$/hr**, which includes unlimited drinks (up to 60 realistically) and barista on site - our minimum is 2 hours of service
- Additional charges: delivery fee (75\$-300\$ depending on the area and transportation time); pastries (3,75\$-5,5\$ per piece depending on the items and quantity)
- All units are equipped with commercial grade espresso machine capable of making up to 60 drinks per bike per hour.
- We have two models available for caterings: Classic Coffee Bike and Upscale Espresso Bar Scooter (wooden finish and more elegant overall look)
- Not enough? We can arrange events for thousands of guest upon request
- Can be placed outdoors or indoors (with flat or ramped entrance and double door availability)
- With the additional help of our suppliers, all of our units can also be customized with a vinyl wrap, custom cup sleeves, and other marketing materials to match your event as much as possible (please note: additional charges and lead time will be applied)

2) Premium Brew Station (Table or Coffee Bike Set Up):

- Thermo Cambro set up with 300+ cups capacity (refill is available upon request in advance!)
- Base rate: 3\$ per drink (unstaffed, all supplies are included), 4\$ per drink (staffed, all supplies included) + delivery fee depending on location
- Pastries are available upon request!
- Minimum order is 400\$
